As per the findings of the survey for the period October-85 to September-86 in about 52% cases old beneficiaries have crossed the poverty line of Rs. 3,500/- and about 12% of old beneficiaries have crossed the revised poverty line of Rs. 6400.

The State Government has indicated that in Ganjam District, as per the result of the Concurrent Evaluation of IRDP, 30% of assisted beneficiaries had crossed the poverty line of Rs. 3500.

A corrective measure recommended in Shri B. N. Accordingly the State Government has entrusted an evaluation study of IRDP in Ganjam District to the Prof, and Head of the Department of Economics, Khallikote College, Ber-hampur.
